My classmates' good work

May's Picnic

By Isabell Chan

On a warm sunny day, May and her family have a picnic at Sai Kung Country Park. They go to the park by minibus. They read the map at the entrance and they bring a lot of food and drinks for their picnic. They feel very excited!

At lunchtime, they eat some snacks and fruit at a wonderful picnic site. 'Let's eat an apple. It is yummy!' Mum says. 'Can I have an apple too?' asks May's brother. Finally, they feel glad that they have a great time together. (89 words)

May's Picnic

By Hans Lo

In a sunny afternoon, May and her family take a minibus to go to Sai Kung Country Park to go on a picnic. They bring a lot of food and drinks. They are very excited.

When they arrive at the park, they enjoy the view and take photos. They are very joyful and delighted. Then, they set the tablecloth and take out the food. May and her dad eat sandwiches. Her brother and her mother eat apples. Mum says, 'The apple is very crunchy and delicious. Yummy!' After that, they play on the grass and fly a kite. They are thankful for the wonderful afternoon.
