My favourite character

Spidey is the character of the book. I like him.

His character strength

Spidey always tried to do what was right. He stopped bad guys from hurting good people. With his web-swinging and heart of justice, he made sure his city was safe.

What happens in the story ?

In the story, Hulk and Ms. Marvel ask Spidey for help when they find themselves over their heads trying to stop a clever squirrel from wreaking havoc at a construction site.

Minutes later, Spidey arrives at a construction site. He sees a large wooden house frame. Ms. Marvel's Embiggen Bike and Hulk's Smash Truck are parked outside. Spidey pulls up and hops out of the Web-Crawler.

"Ms. Marvel! Hulk!" Spidey calls out as he sees Ms. Marvel and Hulk standing next to a construction worker. "I got here as fast as I could! What's the emergency?"

My favourite part in the story

Spidey does not give up easily. He goes after the squirrel again and again. I think this part is so interesting and exciting.

How do I rate the book ?

I rate this book 5 stars out of five.
