

Name: Kyle (22)

Class: 3E

### May's School Day

May has a bad day today. It is seven thirty now. May's mother goes into May's bedroom. She tells May to get up. May is still in bed. May wakes up and feels worried.

When May gets up. She wears her uniform. Mum cooks breakfast for May. She wants May to eat breakfast before she goes to school. She is in a hurry. She tells mum that she doesn't have time to eat before she goes to school. Therefore, her mother is worried about May.

After that, May carries her school bag but she doesn't take her homework. Then she runs to the bus stop quickly because she cannot be late again. At last, she cannot catch the school bus.

The teacher and her classmates are in the classroom when she comes into the classroom. She is late. The teacher says 'Where is your homework?' She cannot find her homework in her schoolbag. She feels regretful. She learns to go to sleep early and wakes up early.
