

Hung Wai Sing, Fergus

Class: 4E

### Sunshine Note

Kelvin is awesome at school!

He is the friendliest child in the class. He greets every classmate he sees and always be nice to the others.

He is the cleanest child in the class. He always washes his hands before and after he eats and cleans up his desk after school.

He is braver than me because he saves a classmate from falling down on the floor and he is not afraid of the spiders.

You are the best!
