Dear Chris,

How are you? I know that you are interested in our Mid-Autumn Festival. I am writing to share more about it with you.

Before the Mid-Autumn Festival, I buy a new lantern in a toy shop. There are many beautiful lanterns. I like to buy a huge flower shaped lantern. I feel fantastic and excited.

Besides, I make moon cakes with my mum at home. We make them with sugar, egg yolk, lotus seed paste and flour. We make them for one hour. The moon cakes are delicious! I am cheerful and joyful. I want to make fruit moon cakes next time. I think it is more difficult.

At the Mid-Autumn Festival, we go to Victoria Park to watch the moon. It is beautiful! We eat starfruit and moon cakes. We also watch the lantern displays there. The lanterns are beautiful! We take many photos. I play with my flower shapes lantern. We are contented.

Furthermore, we ride the tram to Tai Hang to watch the fire dragon dance. There are many people! It is very noisy. The fire dragon dance is great! It lasts about two hours. I feel great.

I hope I can join the Mid-Autumn Festival funfair next year. I think it will be fun!

I hope we will have a chance to celebrate the Mid-Autumn festival together in the future. Can you share some special festivals you have in your country with me ? Please, write soon.

Regards,
Grace
